

MSBA Certified Legal Specialists

**Fewer than 3%
of all registered
attorneys in
Minnesota are
certified specialists
in their field.**

Although there are many attorney ratings systems, **only certain lawyers may use the designation “Specialist.”** These lawyers have been certified by a Minnesota State Board of Legal Certification accredited agency.

A lawyer who is a Minnesota State Bar Association Certified Legal Specialist has been recognized as having an **enhanced level of skill and expertise**, as well as substantial involvement in an established legal specialty.

The Certified Legal Specialist designation is one way **for the public to identify** those attorneys who have demonstrated proficiency in their specialty area **and to find an attorney** whose qualifications match their legal needs.

Attorneys can be certified in the following areas:

- Labor and Employment
- Civil Trial
- Criminal Law
- Real Property
